Chapter 11  
Case No. 08-35653 (KRH)  
Jointly Administered

Normand C. Dionne, Claimant  
268 Bartlett St., Unit 2  
Manchester, NH. 03102

Claim No. 6092  
Amount \$115.84 monthly  
PH. 603-641-8472

**AMENDED NOTICE OF DEBTORS' TWELFTH OMNIBUS OBJECTION**

**TO CERTAIN QUALIFIED PLAN CLAIMS AND 401 (k) CLAIMS**

It is too early to allow Debtor relief through its Omnibus Objection, for amounts due me through Debtors Pension Plan.

I come before the court as an individual who was employed by the Debtor from 1994 to 2000, a period of 6 years. During this period I became a fully vested participant in Debtors Pension Plan. The Plan was considered part of my compensation structure with contributions promised based on wage and time employed.

It is my understanding through notification from this court and separate correspondence from the Pension Benefit Guarantee Corporation, (PBGC), that the referenced Pension Plan was transferred to PBGC. PBGC representatives were unable to verify if the Pension Plan was properly or adequately funded, if funds Promised to the Plan by Debtor were actually credited. PBGC also informed me that it will take a substantial amount of time to investigate and ascertain the answers to my concerns.

Lack of adequate funding translates to reduction in or loss of my Pension Plan which is minimal yet desperately needed.

Consequently I wish to file my objection to Debtors objection to my claim previously filed until such time as PBGC can ascertain that the Promised level of funding has been honored and my Plan, as promised by debtor, has been made whole.

Sincerely,

A handwritten signature in cursive script, appearing to read "Normand C. Dionne".
